

Reactor[®] H-XP3

新一代液压驱动聚脲喷涂机

FEATURES & BENEFITS

Industry-proven
technologies
for reliable
performance

- Top of the line system for high-production professionals
- Performance-driven horizontal pumping system
- SoftStart™ feature requires 1/3 less power draw during system startup
- Lightweight, yet durable hydraulics
- Provides superior, uninterrupted performance
- Provides operator with material data and system diagnostics for total control

喷涂行业成熟技术、性能可靠

- 高效率专业喷涂的顶级系统
- 性能卓越的对置式计量泵系统
- SoftStart™ 技术、启动电流消耗减少1/3
- 轻便设计，耐用可靠的液压计量系统
- 提供出众、连续的喷涂效果
- 系统具有自诊断、数据报告及应用控制功能
